The Professional Learning Community of Perth County and the City of Stratford presents:

Autism Spectrum Disorder, A Brief Overview

Thursday, June 17th, 2021

6:45 to 7:45 PM (virtual event)

In this webinar you will get a better understanding of what autism is and how to create a successful environment and where to direct caregivers for further supports. At the end of the webinar, there will be an opportunity to ask questions. Topics to be covered:

• Creating a successful environment • What is Autism Spectrum Disorder (ASD)

• Supporting caregivers • Brief overview of Autism Ontario

Speakers:

Ishmeet Kaur: Ishmeet, BA, RECE, is a Service Listing and Outreach Support Specialist at AutismOntario.

Ola Kusnierz: Ola is the Webinar Specialist and Service Navigation specialist at Autism Ontario.
