**The Committee of Adjustment and Minor Variances**

The role of the Committee of Adjustment is to provide flexibility in dealing with minor adjustments to the Zoning By-law. To approve such variances, the Committee must be satisfied that:

- The general intent and purpose of the Official Plan is maintained;
- The general intent of the Zoning By-law is maintained;
- The proposal is desirable for the appropriate development of the land and/or buildings; and
- The variance requested is minor.

The Committee of Adjustment forms its opinion through its detailed review of all material filed with an application, public feedback prior to the meeting, deputations made at a public hearing and a report from staff.

If you wish to be notified of the decision of the Committee of Adjustment in respect to this application, you must submit a written request before the Committee of Adjustment makes a decision. Requests are to be made to the Secretary Treasurer of the Committee of Adjustment, Anthony Fletcher. This will also entitle you to be advised of a possible Ontario Land Tribunal hearing. Even if you are the successful party, you should request a copy of the decision since the Committee of Adjustment decision may be appealed to the Ontario Land Tribunal by the applicant, Minister, specified person or public body.

The Minister, specified person or public body may appeal decisions in respect of applications of the Committee of Adjustment to the Ontario Land Tribunal. If a specified person or public body that files an appeal to a decision of the Stratford Committee of Adjustment in respect of the application does not make written submission to the Stratford Committee of Adjustment before it gives or refuses to give an approval, the Ontario Land Tribunal may dismiss the appeal.
