Please be advised that O’Loane Avenue, from Lorne Avenue to Cody Drive, will be temporarily closed to through traffic for approximately 5 months, until November 2023. This road closure is necessary to facilitate the Dunn’s Bridge Rehabilitation Project. A signed detour route has been provided for this closure. Bannerd Drive will be closed at O’Loane Avenue.

SANITARY SYSTEM MASTER PLAN

The City of Stratford is updating its 2003 Sanitary Master Plan to ensure the City’s sanitary sewer infrastructure continues to support the growing Stratford community now and in the future.

The Master Plan will define needed improvements or increases to the current system’s capacity, and identify opportunities for improving efficiency.

We want your input, and have launched an online Public Information Centre through Engage Stratford. Please visit www.engagestratford.ca to view our Sanitary Master Plan project presentation boards, fill out a brief survey or submit a question or comment.
