Designation By-law: 159-98

By-Law Designation Date: November 23, 1998

Date of Construction: C. 1920s

Architectural Style: Craftsmen and Prairie

Architectural Description: Two-storey, red brick house with timbered and stucco front-facing gable in the tudor style. House has a hipped gable roof. First floor features front porch supported by squat, tapered porch columns and exaggerated eaves. This design reinforces the perception of the building's horizontality. House has geometric ornamental masonry pieces on the front porch columns as well as leaded glass pane patterns on numerous windows, characteristic of the Prairie Style.

House was designed by Stratford architect, James Simpson Russell.
