

**Address:** 343 St. David Street

**Legal Description:** Lot 19, Plan 82

**Designation By-law:** 126-84

**By-Law Designation Date:** October 9, 1984

**Date of Construction:** 1871

**Architectural Style:** Ontario Cottage

**Architectural Description:** one storey red brick with yellow brick accents; hip roof with an abbreviated windows walk; centre double door with a more modern six pane over one pane window on either side of the door; each window has a deep yellow brick voussoir over it with a panel of yellow brick below the window; a band of yellow brick above the basement windows and yellow brick at the corners; a flat roofed porch supported by fluted Doric columns is over the door. Decorative yellow brick is under the eaves. The peak in the centre is yellow brick with a red brick voussoir and red brick fills part of the gable above the smaller rectangular six pane over one pane window.
