

City of Stratford, Director of Infrastructure and Development Services

Rich in culture and industry, the City of Stratford is a model municipality that is vibrant, diverse and leads the way in community-driven excellence. Providing services in support of a sustainable, caring community with an exceptional quality of life, the City of Stratford is currently seeking an innovative and progressive leader for the position of Director of Infrastructure and Development Services.

Reporting to the Chief Administrative Officer you will be responsible for the overall operation of the Infrastructure and Development Services Department which includes: Engineering, Public Works, Development Services and Environmental Services. The functions of the divisions are planning, by-law enforcement, building permits, building maintenance, development, construction, operations and maintenance of roads, traffic, sidewalks, wastewater treatment, sanitary/storm sewer systems, solid waste management, and water supply and distribution. You will lead the department and be responsible for developing the strategic vision for enhancing the City of Stratford's infrastructure and services provided to the public and achieving the strategic priorities as set by Council while meeting various legislative requirements. In order to achieve success in these areas a wide range of expertise is required in order to properly lead the team. The most important role is to ensure that the City's infrastructure is safe and reliable for use by the public. As part of the corporate leadership team you will play a key role in developing and implementing strategies that increase customer service and productivity while reducing operational costs across the entire organization.

As an ideal candidate, you will have a university degree in engineering, be registered as a Professional Engineer, and have a minimum of seven years of progressive experience in management positions. In addition, you bring a reputation for integrity, common sense, sound judgement, customer focus, building a team of high performing professionals, and detail-orientation.

Annual Salary Range: \$133,473 - \$156,144. including a comprehensive benefit package.
