Affordable Homeownership Program Overview

The Corporation of the City of Stratford Social Services Department is the provincially-designated Consolidated Municipal Service Manager ('Service Manager') and administers the Affordable Homeownership Program which provides qualified low to moderate income households with down payment assistance loans of up to 5% of the purchase price of a home also known as an 'Eligible Residential Property'.

Households that are interested in participating in the Affordable Homeownership Program must meet the qualifications listed in the Applicant Eligibility Criteria section (Appendix A).

The down payment assistance loan is interest-free and forgivable after 20 years, provided there has been no default under the terms of the loan. If the Residential Property is sold before 20 years, the principal amount of the loan plus a percentage of the capital gain realized through the sale is repayable.

2020 Household Members Income Limits

The maximum household income limit for applications to the Affordable Homeownership Loan Program is \$88,400 if applying as a couple or family and \$74,600 if applying as an individual. The current maximum purchase price of an eligible Residential Property for 2020 is \$396,045.

Qualification

Applications submitted will be reviewed and qualification determined on an as submitted basis. Qualification for the program does not guarantee allocation of funding to the application.

It may take up to 5 business days to review the application to determine eligibility, therefore please allow at minimum 10 business days between loan allocation and closing of the home to allow sufficient time for paperwork to be completed.

Qualified applicants will then be advised to submit a Conditional Agreement of Purchase and Sale on a qualifying home, based on received submissions of conditional Agreements of Purchase and Sale, preference will be given chronologically to complete and eligible applications.

Final confirmation of eligibility will be required after completion of a home inspection and prior to any forgivable loan being made.

All applicants will receive written confirmation of receipt of an application indicating if they qualified for the Homeownership Loan Program or not.
