RECYCLING DEPOT AT ROMEO STREET LANDFILL SITE RE-OPENED

The City of Stratford has re-opened the recycling depot at the Romeo Street landfill site during regular weekday hours.

The depot has been closed to help prevent the spread of COVID-19 through the handling of recycled items. New bins have now been installed that will eliminate the need for direct contact with the materials by staff.

Please remove all recycled materials from plastic bags before depositing them into the bins.

If you are dropping off cardboard, use the large bins marked "Cardboard Only" located next to the bins in which you dump your garbage.

And please note that the e-waste and textiles dropoff areas at the landfill are still not available at this time.

The landfill site is open Monday to Friday, from 8 a.m. to 5 p.m. We encourage all residents to continue to make use of our curbside collection of waste and recycling.
