Stratford Town Crier

Public Information, Notices and Meeting Schedules

BACK TO SCHOOL

Monday, September 14 marked the first day back to school for local elementary and high school students. As pedestrian traffic increases, the City would like to remind motorists to:

1. Slow down, be aware and drive safely.
2. Obey the crossing guard's stop sign.
3. Allow pedestrians and the crossing guard to completely cross the street before proceeding.
4. Pay particular attention when other vehicles in the curbside lane are stopped near a school crossing, as they may block your view of the crossing guard or pedestrians.
5. Drive slowly through school zones and other residential areas where young people may be walking.
6. Be cautious, be courteous and be patient.

For more information about Stratford's crossing guards, including a list of crossing locations, visit the City's website.

FLUSHING OF FIRE HYDRANTS

Beginning September 8, 2020, and continuing for approximately five weeks, flushing of fire hydrants will take place within the City of Stratford. Customers could experience some discoloured water. Water quality is not affected by this colouration. Discoloured water will clear, but before doing laundry, please check to see that water has cleared. If you have any questions, please call the City Water Division at 519-271-0250, ext. 5281 during business hours.

HOUSEHOLD HAZARDOUS WASTE

The City of Stratford will be holding its final Household Hazardous Waste collection of the year on Saturday, September 26, from 8 a.m. to 2 p.m. in the northwest corner of the Rotary Complex parking lot.

Please note that hazardous waste will not be accepted at the Romeo Street landfill site.
