Frequently Asked Questions

1. I am a Rent-Geared-to-Income (RGI) tenant. Am I eligible for an affordable unit?

If you meet the eligibility requirements including Income and Asset Limits, you can apply for an affordable housing unit. However, please note that this is not a subsidized rental program – rent is not calculated based on household income. Rent is set at 80% average market rent.

2. I am currently in receipt of social assistance. Am I eligible to apply?

Being in receipt of social assistance does not disqualify you from being eligible for Affordable Housing. However, all applicants go through the same application and approval process and need to meet the same eligibility requirements including Income and Asset Limits. You must have enough income to cover the cost of rent (plus utilities).

3. Am I still eligible if my income is just slightly higher than the limit?

No. If your household income is higher than the Income Limits outlined above, you are not eligible for an affordable housing unit. If offered a unit, your income will be verified before you sign a lease.

4. Do you require landlord references?

Yes. This is part of the approval process.

5. Will you complete a credit check?

Yes. This is part of the approval process.

6. I owe money to a social housing provider. Am I eligible to move into an affordable housing unit?

No. You must provide proof that you have paid your arrears in full to be eligible for an affordable housing unit.

7. Can I still apply for a unit if I own a house, condo or cottage?

If the property you own can be lived in year around, you are not eligible for an affordable rental unit. To become eligible, you must complete and submit a Declaration of Intent to Sell Property (Form 104) stating that you will sell the property within 180 days of your lease coming into effect.

8. Will I have an opportunity to view the unit before accepting an offer?

Yes. City of Stratford staff can provide you with a viewing.

9. Am I able to smoke or vape in my unit?

No. This is a smoke-free building. Smoking and vaping of any substance (such as lit tobacco or cannabis products) is prohibited in and on this property including within nine (9) metres of the building and the interiors of all rental units.

If you smoke or vape cannabis for medical reasons, you can request an exemption to this rule by completing a Request for Accommodation Form and asking your doctor or medical practitioner to complete a Medical Verification Form.

10. If my income changes and I can't afford to pay my affordable rent, am I able to get a subsidy in my current unit?

No. You will not be able to get a subsidy in your current affordable unit.

11. What is included in the rent?

The monthly rent paid by tenants as of the first day of the initial term includes only the items in the left-hand column below:

Included in the Rent	NOT included in the rent
Refrigerator	Hydro charges
24" electric range w/oven	Telephone and telecommunication
Water charges	Cable or satellite television

14. If I do not get an offer of a unit, will I be on a waitlist for future units that become available?

No. We are not keeping a waitlist for 230 Britannia Street. We will advertise when units become available and you will be able to apply at that time.

15. If I am a single person. Can I request a 2-bedroom unit?

No. Households must meet local occupancy standards. The largest unit size allows for one bedroom per person; couples are expected to share. You may choose a smaller unit than you qualify for, but not a larger one.
