

Address: 209 Wellington Street, Stratford

Legal Description: Lot 272, Plan 20

Designation By-law: 104-94

By-Law Designation Date: September 12, 1994

Date of Construction: 1867

Architectural Style: Gothic Revival

Architectural Description: One and a half storey clapboard house with central gable featuring a small semielliptical arched window. There is ornate wooden bargeboard on gable which is matched by decorative front porch brackets. House has large four pane windows on either side of the entranceway.

Between 1880 and 1971, the Buttenmiller family lived in this house and worked for the railway.
