DOWNTOWN PARKING STUDY – COMMENCEMENT & PUBLIC OPEN HOUSE

The City of Stratford has retained R.J. Burnside & Associates Limited to undertake a Downtown Parking Study. The study will identify existing and future parking needs in the Downtown area, with a particular focus on how the ongoing Grand Trunk Redevelopment will affect parking demand and the role of the Cooper and Downie Lots within the downtown parking system. The Study will also develop a comprehensive and forward-thinking parking strategy that optimizes parking resources for residents, businesses, employees, students and tourists.

You are invited to attend a Public Open House (POH) where the project team will present key information about the study and gather input on downtown parking challenges and opportunities.

Date	Meeting	Time	Location
Thursday, July 16, 2026	Public Open House #1	5:00 pm to 7:00 pm	Market Square
